What do Richard Nixon and Edmund Muskie have in common?

Well, it's something besides the fact that the former was a Senator and later Vice-President of the United States and wants now to be President and that the latter is now a Senator and would settle for the former's former position.

Both are just average golfers yet both have achieved the golfer's dream — a hole-in-one, according to the Rusty Nail Hole-In-One Sweepstakes.

Mr. Nixon's came a few years ago and he said that it was the biggest thrill of his life.

Wanna bet?

Senator Muskie's ace occurred this past summer at the Webhannet Golf Club in Kennebunk Beach, Maine, where he has a summer home. It was a No. 5 iron shot on the 153-yard 11th hole.

Now, Senator Muskie is sweating out a trip to Scotland (first prize in the Rusty Nail competition) as well as a much closer trip, say in the vicinity of Washington, D. C. He'll have to wait until January to hear if he has won the golfing prize, when he hopes to be unavailable.

As for Mr. Nixon, he brushing up on the lyrics for "Hail to the Chief" intead of "Loch Lomond".

Letter to the Editor

November 1, 1968

The YORK WEEKLY
21 Hospital Drive
York, Maine

My Dear Editor,

We want to thank you for the fine public service The YORK WEEKLY performed in giving coverage to the 1968 Trick or Treat program for UNICEF.

Without the help and encouragement generated by the publicity of many means, our drive could not have met with such success. The losers would have been needy children and mothers in all parts of the world.

Warm thanks and commendations are of course also in order for our boys and girls. They showed a spirit of concern and enthusiasm in devoting their festival to saving other children's lives. May a feeling of accomplishment be their justly deserved reward.

We are grateful to the many adults and teenagers without whose help in preparing the Halloween program, in supervising the children, and in giving tirelessly of themselves, the Town of York could not have participated in the nationwide UNICEF program.

Traditionally generous, our fellow-citizens unstintingly opened their doors and their hearts to the UNICEF Trick or Treaters. We wish to thank them, one and all.

If there are those who were not contacted, and wish to donate they may send their contribution to the Rev. Herbert A. Stevens, Box 64, 42 Main Street, York Beach, Me. 03909, Chairman.

Thank you once again for your help and assistance.

Faithfully yours,
HERBERT A. STEVENS
Chairman, Ministerial Ass'n

News from YHS

by Linda Grover

The French Club netted about $30 through their recent food sale. The money from this sale will go toward a trip at the end of the school year.

In the voting at last weeks FHA District Convention, the following officers were elected: chairman, Cathy Crosby (OOB); vice chairman, Lynda Ferrin (York) recorder, Sheri Hodgton (Gray-New Cloucester). In lieu of speaker James Logan, the Furrow Brothers from York entertained the group with some piano selections.

The Voice of Democracy contest is now underway with this years title "Freedom's Challenge". This contest, sponsored by the VFW and Ladies Auxiliary of VFW, requires applicants to write an essay on the given title. Students may apply individually or through their English class. All interested students are urged to see their English instructors for details.

An athletic boosters club is now being formed. This will be a group of people especially parents, supporting all athletic teams at YHS.

Friday, November 1, Mr. John K. Schroeder, principal, will attend the Maine meeting of the New England Association of Colleges and Secondary Schools at Bowdoin College.

November 2 represents the last football game of the season for YHS. The Wildcats will go to battle on the field at Dixfield.

Warning to YHS students—Grades close Nov. 6, and report cards will be issued Nov. 8, marking the end of the first 10-week ranking period.

Rolde pledges Full-Time Effort

Neil Rolde, Candidate for State Senate in District 1, has declared that "if elected, he will begin working for his constituents immediately after the campaign and not wait until January, when the legislative session begins.

"It is my belief," Rolde stated, "that a legislator should be on the job year-round, if it is possible for him to do so. If successful, I intend to be in Augusta as often as I can be, both before and after the regular legislative session."

Rolde went on to say that he felt a good legislator would consider it his duty to lobby continually for the interests of his district—and not just consider that he was in Augusta simply to fill a seat and vote.

"Someday, we will have annual sessions," Rolde continued. " I hope it will be soon. But until we do, I feel that voters should consider the amount of time and energy a candidate can put into the job he seeks. I am willing to put a great deal of my time into the job of State Senator and to work at it with the same energy with which I have campaigned.

Preliminary Work begun on LL Field

The late Mr. Paul E. Smith left a piece of land to Little League providing it be made into a Little League Park. Last Thursday evening the York Volunteer Firemen burned the field and brush cut by members of the Little League committee. Saturday, part of the field was roto-tilled by Wes Moulton of Kittery, Sunday the following equipment was made available and all the labor donated free of charge by:

Henry Rush—Loader — Cliff Bray (op)
Abbott Bros—Bulldozer—Earl Shejen (op)
Phil d'Entremont—Bulldozer—Phil d'Entremont (op)
James Freeman—Truck—John Moser (op)
Raymond McKenna—Truck—Sid Gilchrest (op)
Al Marcuri—Truck—Jack Goodwin (op)
Elmer Moulton—Truck—Jerry Turner (Op)
Roger Norton—Truck—Dean Horn (op)

The above persons began the first major step toward the creation of a Little League Ball Park.

We, the members of the Little League Committee know that practically none of the aforenamed have children in the Little League, nonetheless they willingly gave their time and equipment. Now the progress and completion is going to depend on you the people of York —we need a hand—Material and Money.
